Career Fair	1,000+ attendees
Iman Quran Academy	250+ students
Hosted Scholars	20+ scholars
Religious Programming	Daily & seasonal programs
Event Registrations	Tracked across major events

2025 YEAR IN REVIEW

FINANCIAL BREAKDOWN

This budget breakdown reflects our commitment to sustaining a well-maintained and welcoming mosque while actively investing in meaningful community engagement and long-term growth. Overhead expenses ensure the masjid remains safe, functional, and accessible for daily prayers, programs, and services. Community engagement funding supports educational initiatives, workshops, and events that strengthen connections and serve diverse community needs. Investment in future initiatives allows us to plan responsibly for facility upgrades, expand programs, and build sustainable fundraising efforts that will support the masjid for years to come. Together, these allocations demonstrate a balanced approach to stewardship, impact, and community-centered growth.

GRATITUDE

We extend our sincere thanks to every community member and supporter who contributed their time, trust, and generosity.

Your support enables ongoing worship, learning, and service—today and for generations to come.

May Allah place barakah in every effort and accept from all who give.
